VEHICLE RETURN

A) What do you need to do?

Step 1: Prepare your vehicle in time so that it is ready for the assessing company to compile the condition report.
Both the repurchase agreement and the vehicle return guidelines list the requirements and conditions for vehicle repurchase by IVECO pre-owned vehicles center.

Please ensure that the following points have been completed and documented before returning the vehicle:

- Maintenance work carried out in line with manufacturer specifications
- Warranty work and any recall campaigns carried out in line with manufacturer specifications
- Damage caused by the registered keeper and/or defects repaired in line with the vehicle return guidelines and any missing parts replaced
- **Vehicle returned to neutral state/labels removed**

B) Vehicle return checklist

- **Vehicle invoice**
- **Registration certificate**
  Part I and Part II
- **All equipment parts**
- **Service booklet**
- **Vehicle key**
  Spare key
- **All attachments**
- **Tool kit**
- **Operating manual**
